LED BY ROCK ISLAND GROUP

General Market Affected by Heavy Decline Founded on Unfavorable Rumors Just as Bull Strength Was Beginning to Make Itself Felt on 'Change-Million Shares Traded.

New York, Aug. 14.-The selling movement in stocks which became pronounced in the last hour yesterday continued to day, increasing in intensity as prices yielded under its weight, with the result that a decline greater than any before the seen since the beginning of the upward to be the beginnin movement went along almost unchecked Dis. Sec .. until the end of the day, when net de- Eric clines of as much as two or three points Erie

were to be seeen in many active issues.

American stocks were weak in London during the forenoon, but were bid up late in the day in order probably to help the lat. 'Met. opening here, at which the active issues Int. Met. pid.... whole list, with the exception of the M.S.P.&S.S.M.pfd M., K. & T. Rock Island issues, began to move down- M. K. & T. pfd. decline inspired the bulls with some con- N. Y .. fidence and the general tendency was re- North Am. North. Pac versed, so that for a few minutes it Pa looked as if a substantial recovery was Pacific Mail.

Slump in Rock Island.

Just then, however, the Rock Island group turned work, both the stocks of Rep. I. & S. 15d. the Rock Island Company and the colthe Rock Island Company and the collateral trust bonds of the Chicago, Rock Island fd.

Island and Pacific Company declining rapidly on rather heavy transactions and Sloss-Sheffield causing a revival of the unfavorable Southern Pacific..... Southern Ry. properties in that extensive system. The Southern Ry. pfd. effect was to give a downward tendency Texas Pacific to the general market, and although T around noon the trading became active, I the close was rather dull, with final quotations above the lowest of the day. The rumors that Rock Island would default in the interest on the collateral trust as next month was declared to be unfounded. the statement being made officially that Wabash pdd. sufficient money to pay the interest is al- West. Union. sufficient money to pay the interest is al-ready on hand and will be used for that purpose. Wis. Central. Wis. Cent. pfd...

were frequent sales of large blocks of stocks, and it was estimated that the combined sales of ten or twelve houses were far in excess of 100,000 shares. Chipman, manager, 1301 F street northwest.

Transactions in all stocks aggregated in excess of 1,000,000 shares, Reading British Col. Cop... being the most active, each of these contributing more than 190,000 shares to the day's trading. American Smelting and Deminion Copper. 2% 2% Refining suffered the severest decline of Goldfield Constell. 6 II-16 6 II-16 6 7-16 the severest decline of the se any stock in the active list, but National Lead and Amalgamated Copper were rel-atively as weak, while Reading and Mis-

ring the price, but the stock was not so

about \$5,000,000, nearly all of it coming from the subtreasury. Great Northern's earnings for July showed, by comparison with the same month last year, a decrease of \$1,327,414, or something more than 23½ per cent.
